NATIONAL DISASTER HOUSING STRATEGY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The National Disaster Housing Strategy (the Strategy) serves two purposes. This new direction must address the disaster housing implications of all these risks and hazards and, at the same time, guide development of essential, baseline capabilities to overcome existing limitations. The new direction for disaster housing must leverage emerging technologies and new approaches in building design to provide an array of housing options. It must also be cost effective and draw on lessons learned and best practices. Above all, this new direction must institutionalize genuine collaboration and cooperation among the various local, State, tribal, and Federal partners, nongovernmental organizations, and the private sector to meet the needs of all disaster victims. Current practices in disaster housing vary based on the nature and scope of a disaster and can range from providing short-term shelters to arranging temporary and, in some cases, permanent housing. Establishing emergency shelters is generally...
