The concept is an ancient one that still captures the imagination, tugging at the deepest core of who we are. Who doesn't want a soulmate--or two or three? Soulmates nudge us away from the illusion that we're only human and remind us that we're spirits first! They help us become our best selves. They are catalysts, enhancers for our spiritual growth. And we all have more than one. Soulmates may love us, but they also confuse us, confound us, irritate us, disappoint us--and often bring us indescribable joy and delight in living. This groundbreaking book will help readers to: - Recognize their soulmates--past, present, and future. - Attract new soulmates--romantic ones included. - Improve relationships with existing soulmates. - Learn from their soulmate relationships so they don't need to repeat the experience. For anyone ready to find their true soulmate, this...
