Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It may be profligate, but is it not life? asks Lord Byron. This is poetry with an edge. Combining grit and grandeur while mingling religion and sex, science and spirituality, this intense examination of life reveals the author's struggles with the nature of reality and existence, in language both simple and complex, erudite and approachable. Showing influences of Bukowski, Poe, Cohen, and a tinge of Greek mythology, the author examines wonder, pain, love, and fantasy. The Lizard and the Tamarind is a stirring tribute about the death of a fellow poet. Explanation of the Universe does a good job of fulfilling its goal. Square-Breasted Poem is a quirky romp through anatomy and modernist painting. A strong and diverse volume that addresses themes with which we all grapple. [These poems] are highly personal, experiential. Some of the experience seems to be supremely private. But what struck me most about them was the free association of the images, the kind of free flowing exuberance of the visual. The intensity of feeling is superior. Their complexity is almost painful. I was moved, confused, astounded, curious, excited. - Ann Beals, University of Central Oklahoma As you would imagine in a collection called Terra, these poems will take you places. They compel you across varied planes of the mind: love, dreams, wonder, mourning. But how diverse your journey encompassing the night-beat of a flaneur, the death of a light bulb, a bricklayer's manifesto, a film noir dream, the spirals of a lover's earring-and an explanation of the universe. With wry metaphor yet steady vision, Fletcher spotlights the quirks of human longing and the enigmas of memory. Pick up the volume, open...
