CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 260 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. The United States Government is losing the war against terrorism. It can't fight an enemy who does not wear a uniform or an enemy whose only loyalty is to an extremist cause which has been deviously interpreted and conveniently altered from the sacred Koran, to suit their hatred against the Western world. The enemy's leaders are psychopaths that are able to recruit and brainwash young individuals from all over the world to perpetrate their terrorist acts. These enemies can remain dormant for years in a foreign country and can masquerade as any ordinary person. They are able to adapt to its culture and then emerge with devastating results that decimate hundreds of victims. The adaptation of the enemy in these foreign countries makes the task of detection for law enforcement and intelligence agencies extremely hard to prevent their next attack. A clandestine group high in the chain of command in Washington D. C. decided that these extremists should get a taste of their own medicine. They start sending suicide bombers from the United States to the Middle East. Their objective...
