By Swami Sivapriyananda

Inner Traditions Bear and Company, United States, 2009. Paperback. Condition: New. 4th ed.. Language: English . Brand New Book. Explores the secrets and benefits of alternate nostril breathing practices - Includes breathing techniques to help overcome infertility, bad luck, and illnesses - Explains the interactions of the vital energy of breath with the chakras and energy channels (nadis) There is an intimate relationship between breathing and our emotional states. When we are nervous or excited, our breath rate increases. Conversely, if we alter our rate of breathing, we can alter our emotional state. The ancient civilization of India developed methods for changing the emotions and states of consciousness through yogic meditation and pranayama (breath control). Secret Power of Tantrik Breathing teaches the advanced pranayama system of svaraodaya, which is based on the fact that we normally breathe freely through only one nostril at a time. In a healthy person, breathing changes roughly every one and a half hours from one nostril to the other, with each nostril imparting different qualities to one's mental and physical state. The left nostril is cool, soothing, passive, and feminine in nature; the right is warm, energizing, active, and masculine. When the breath remains...
