Xulon Press. Paperback. Condition: New. 148 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. This book isnt about me. Its not about being an author, a book signing, attention or fame. This book is about God! Its He who authored it. Im not a writer, but a listener. My gift in writing is, I simply write as Im spoken to. Im OK with that! As a matter of fact, I wouldnt have it any other way. This way God gets all the attention, the credit and the adoration. Thats my lifes greatest desire. I never grew up wanting to be a writer. Writing was chosen for me by God with the purpose to see and hear Him in these times. God has revealed His heart to me through His voice and the words He shares with me. Im a steward of these words to share them with humanity. Theyre not mine! Theyre Gods! Im here to pass on the heart of God through what He shares with me. Ive suffered to receive them believe me. Ive been humbled to take my place as a scribe of The Master. Its at His feet, the place of my heart and treasure. Its at His feet I will not raise myself any higher. I have a purpose in life which has given me tremendous focus and determination. I want to run my race and finish my course. Any banners, trophies, first place ribbons, rewards, recognitions or praise, Ill gladly lay at the feet of God; offering these gifts back to Him; for He was the Source and Supplier of them all along. I was just a blessed recipient. Ive given up my life being about me. Now, whatever I do belongs and is for the benefit of God. . . For the blessing of humanity....
