The study of pedigree seems to them not only tedious, but profitless. They have no reverence or love for the past, and it is a matter of indifference who their ancestors were, or whether they ever had any. This is sometimes an eccentricity, sometimes a proud independence, which ignores ancestry in order to increase its own importance and show that its highest honors have not been attained through the wealth, patronage or name of progenitors. But a more fruitful cause of this low estimate has been the boasting and arrogance of some with reference to their distinguished ancestors. There is a false and a foolish pride of lineage which deserve censure and ridicule. It was such conceit that prompted a retort of Cicero, when a patrician said to him: You...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Brennan Koelpin

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
