INTERNATIONAL TRADE IN AGRICULTURAL PRODUCTS (PAPERBACK)

Createspace Independent Pub, 2016. Paperback. Condition: New. Language: English . Brand New Book. International Trade is vital to the agricultural sector in many countries of the world, especially the United States. International trade allows productive capacity in agriculture to expand without seriously eroding prices, and there is no question that trade will become more critical to many nations in the future. It is surprising, then, that there is no up-to-date text book at the undergraduate or graduate level that provides...
