An award-winning dark psychological novel of mental illness and murder. Win a Kindle Fire with your purchase! Just email the publisher with your proof of purchase: Suburban family life can be mundane, but it can also push you over the edge. When Thea Middleton finds herself behind bars for an unthinkable crime, she realises she s become the most hated member of any society: a failed mother. As she, her husband Clay and oldest daughter Sanusha try to repair their shattered lives, their individual accounts form the pieces of a tragic puzzle that will haunt them forever. Shadow Self is a good book. Somehow, I feel like saying that is an understatement. But what else can one say about a book one really loves? The Critical Literature Review Every intricate detail penned by Marais takes the reader emotionally and painfully through Thea s journey Herald Live Written with compelling power and jagged intensity. Tony Morphet IN JAIL I HAVE A LOT OF TIME to think to think, and I don t always have control over where my mind wanders. A lot of the time, and despite myself, I think about Clay: how much I loved him, the mistakes I made. So many mistakes! My daughters. My little boy, Joe. But my thoughts aren t always completely clear. I think through gauze, through filters. Being locked away minute after minute, second after second (for that s how slowly time passes) has made me realise that I ve spent my whole life in a fog. Some days it s like parting a thick black curtain in front of me, and just when I manage to open it and see a little...
