Mira Books, United States, 2011. Paperback. Condition: New. Original. Language: English . Brand New Book. Think you can trust your husband? Think again! That's what the gossip types at Erica Bentley's new job say. Even her (multi-divorced) mom agrees. But Erica's sure she knows her husband, Tom, better than that. He says he loves her, and shows it in a million ways. Except he has been working extra-late these days. And he's been kinda quiet. Even secretive. Happily married Tom Bentley never thought his head could be turned--until he saw Clara. Her sleek body has him longing, and he can't get her 127 wheelbase out of his mind. That's right. Erica's competition is a car. The beautiful Buick has Tom completely car-crazy. And Erica's sleuthing is making her just plain crazy. One of them needs to come clean with their newest obsessions, before Clara drives their happy marriage into a ditch!.
