Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

ADIRONDACK ENIGMA: THE DEPRAVED INTELLECT MYSTERIOUS LIFE OF NORTH COUNTRY WIFE KILLER HENRY DEBOSNYS

History Press (SC), United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. When Henry Debosnys arrived in Essex, New York, the sleepy town was unprepared for the string of dark events that trailed the exotic European stranger. Within weeks of his appearance, he had romanced wealthy widow Betsey Wells, charming her friends and children and presenting the picture of an ideal new family at their spur-of-the-moment wedding. Yet when authorities discovered Betsey s mangled body in a nearby forest, Debosnys s image as a caring family man began to unravel. During his incarceration, Debosnys slowly revealed himself to be a genius fluent in six languages, a master cryptographer and the murderer of at least two previous wives. As the scrutiny on Debosnys intensified, he began producing coded messages, allegedly confessions to a lifetime of villainy. Author Cheri Farnsworth reveals never-before-seen evidence of this Upstate tragedy, including reproductions of the legendary, unsolved Debosnys cryptograms, in an effort to finally uncover the truth about this depraved con man. The only question that remains is who will be the first to crack the quot;Debosnys Codequot;?.
