Reviews

*The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

BUSINESS STATISTICS PLUS PEARSON MYLAB STATISTICS WITH PEARSON ETEXT, GLOBAL EDITION (MIXED MEDIA PRODUCT)

Pearson Education Limited, United Kingdom, 2017. Mixed media product. Condition: New. 10th edition. Language: N/A. Brand New Book. For 2-semester courses in Introductory Business Statistics. This package includes Pearson MyLab Statistics. Gain an edge in today's workplace by applying statistical analysis skills to real-world decision-making. Business Statistics: A Decision Making Approach provides students with an introduction to business statistics and to the analysis skills and techniques needed to make successful real-world business decisions. Written for students of all mathematical skill levels, the authors present concepts in a systematic and ordered way, drawing from their own experience as educators and consultants. Rooted in the theme that data are the starting point, Business Statistics champions the need to use and understand different types of data and data sources to be effective decision makers. This new edition integrates Microsoft Excel throughout as a way to work with statistical concepts and give students a resource that can be used in both their academic and professional careers. This package includes Pearson MyLab™ Statistics, an online homework, tutorial, and assessment program designed to work with this text to personalize learning and improve results. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts. MyLab should only be purchased when required by an instructor. Please be sure you have the correct ISBN and Course ID. Instructors, contact your Pearson rep for more information.
