Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Publication date: April 8, 2012. In the summer of 2011, for my teaching career, I took the classes necessary to be ESL certified. One of these, the Impact of Language and Culture in the Classroom, was led by an excellent instructor, who gave us the assignment to visit cultures, or subcultures, with which we were uncomfortable. I chose religion in general and the Roman Catholic Church in particular. As my instructor was Catholic, she was able to recommend churches to visit. I decided, for contrast, to visit the most liberal and conservative churches in Portland, Oregon. The experience taught me a great deal, even that those terms were flawed. As I told my professor, You have accomplished true education, enlightening me. This is the paper I got out of those visits, featuring the addenda Prayer and the Virgin Mary and My Views on the Universe. For more on Robert s writing, please view .
