Two Cats Press, 2013. Paperback. Condition: New. Revised 2015 ed.. Language: English . Brand New Book ***** Print on Demand *****.Bruce is frightened of becoming a butterfly because he s terrified of heights. Worse yet, the other caterpillars tease and bully him about it. Unwilling to suffer any more, Bruce runs away from home. Along the road, Bruce makes some unlikely friends, including Angie, a young moth caterpillar. Smitten by her, Bruce is horrified when Angie is captured by a bat while he hides. Angered by his cowardice, Bruce resolves to rescue her, and his other friends--a mockingbird who doesn t eat bugs because she is a vegetarian, a spider who got tangled in his own web, and an aging firefly-join the search. When they reach the bats cave, however, hope of a rescue vanishes when they are captured by the bats evil leader, Stang. Bruce learns that Stang and his minions have brutalized or killed many, including other bats, during his rise to power. Bruce s unwillingness to cower any longer helps him devise a plan to save all the captives and end Stang s ruthless rule: Bruce must convince the other bats to join him and fight back. A charming novel following caterpillar Bruce who rejects his destiny as a butterfly partly out of a fear of heights and partly out of the desire to forge his own path . Bruce and the Road to Courage has a strong message for young readers who are just about to embrace novel-style books. - James A. Cox, Editor-in-Chief, Midwest Book Review.
