By Washington Irving

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Works of Washington Irving, Vol. 11 of 12: Life of Washington, Vol. III-IV When the Author commenced the publication of this work, he informed his Publishers that he should probably complete it in three volumes. What he gave as a probability, they understood as a certainty, and worded their advertisements accordingly. His theme has unexpectedly expanded under his pen, and he now lays his third volume before the public, with his task yet nu accomplished. He hopes this may not cause unpleasant disappointment. To present a familiar and truthful picture of the Revolution and the personages concerned in it, required much detail and copious citations, that the scenes might be placed in a proper light, and the characters introduced might speak for themselves, and have space in which to play their parts.
