

House Of Java (Paperback)

By Mark Murphy

NBM Publishing Company, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. ComicsLit is proud to launch another talented newcomer in a collection of short slice-of-life stories quietly but strongly etching various facets of our lives, making us think about ourselves and how we act with others. The House of Java is a coffee house where little flashes on all sorts of people that happen in for a cup are sprinkled among other stories such as Welcome to Seattle where a girl leaves her home town for the first time to meet her boyfriend. But he stands her up and she is left to fend for herself in a strange town. As it turns out, it s a liberating experience and once she does stumble on to him, he is amazed at her transformation, so similar to his own. Reminiscent of the insightful work of Adrian Tomine.
