OMAR NELSON BRADLEY: AMERICAS GI GENERAL

DOWNLOAD PDF

University of Missouri. Hardcover. Condition: New. 480 pages. When Omar Nelson Bradley began his military career more than a century ago, the army rode horses into combat and had less than 200,000 men. No one had heard of mustard gas. At the height of his career, Bradley (known as Brad and The GIs General) led 1.23 million men as commander of 12 Army Group in the Western Front to bring an end to World War II. Omar Nelson Bradley was the youngest and last of nine men to earn five-star rank and the only army officer so honored after World War II. This new biography by Steven L. Ossa gives an account of Bradleys formative years, his decorated career, and his postwar life. Bradleys decisions shaped the five Northwest European Campaigns from the D-Day landings to VE Day. As the man who successfully led more Americans in battle than any other in our history, his long-term importance would seem assured. Yet his name is not discussed often in the classrooms of either civilian or military academies, either as a fount of tactical or operational lessons learned, or a source of inspiration for leadership exercised at Corps, Army, Group, Army Chief, or Joint Chiefs of Staff levels. As a business school case study in improvised organizational management under extreme pressure, the history and structure of that vast enterprise also merits study. The Bradley image was tailor-made for the quintessential homespun American heroic ideal he was born in a cabin built by his fathers hands and was considered by many to be a simple, humble country boy who rose to the pinnacle of power through honesty, hard work, loyalty and virtuous behavior. Even though his classmates in both high school and at West Point made remarks about his looks, and Bradley was...
