

The Geometric Collection Presents: Ocean: An Adult Coloring Book (Paperback)

By S Bell

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Welcome to the Geometric Collection! As you know, we make coloring books and stuff. But we also make opportunities to relax, bond with others and create art. The urge to get creative and color never goes away. Sometimes you want to tune out all the stress that comes with being an adult. Why not reconnect with your inner child with our unique coloring pages? There are many health benefits to coloring. It has been proven to relieve stress and anxiety. There is a calming effect when you unwind and relax with a nice book and become worry free. Grab a beverage, call up some friends, and take the steam out of the week with a copy of one of our coloring books or calendars. Our books and calendars include stunning portraits of different wildlife presented in geometric form. Each book is dedicated to its own category based on species or environment. There are over 50 pages to color, half of which are full page geometric patterns that give you endless options to truly get creative when you re coloring....

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Keanu Johns

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.

-- Tobin Lesch
