By Angleberger, Tom. Wang, Jen, Illustrator.

Amulet Books. 1 Laminated Cover(s), 2012. hard. Book Condition: New. The author of The Strange Case of Origami Yoda and Darth Paper Strikes Back returns with this romp for readers 8 to 12, in which a novelty-store mustache pits two seventh-grade friends against each other in a battle for the fate of the nation. The mustache in question is the Heidelberg Handlebar No. 7, a lip tickler so convincing that it can turn whole towns of people into mindless yes-men. Lenny Flem is certain that his buddy Casper Bengue, amateur hypnotist, has been using that 'stache to perpetrate bank robberies, and is now running a well-financed bid for the presidency. It's up to Lenny and the amazing Jodie O'Rodeo, teen cowgirl queen, to unmask this pint-sized evil genius."There's no twist too goofy or absurd as [Tom] Angleberger pulls out all the stops for this unabashedly silly story."Publishers Weekly"Angleberger's foot-on-the-floor zaniness helps pull it off, fueled by a steady stream of gags and utter ridiculousness that make Saturday-morning cartoons seem reasonable in comparison. Pure, unfiltered hilarity."Booklist"Angleberger severs all ties with sanity in his latest farce for preteens with hilarious results. There's plenty of action and goofiness. Total deadpan lunacy."Kirkus Reviews 196.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
