*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.*

AUTHORHOUSE, United States, 2005. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. In the not too distant future Dianna Harrison, a high priced corporate financial consultant, a daughter of old money, has everything she wants, a loving husband, two sons at Sandhurst-on-Sound, an exclusive military school, and an old Victorian estate in the village of Old Claremont on Long Island s North Shore. She is a long-legged beauty with the figure of a lingerie or swimsuit model, and a dark olive complexion. What she doesn t have is a mane of long, flowing ebony locks. Instead she has a cock s comb of black unmanageable frizz, which can neither be straightened nor permed. She would try anything to have a cascade of blue-black anthracite crashing over her shoulders and pouring down her back, including selling her soul. Set in a time where the control a woman has over her body has been scientifically advanced, extended, and firmly protected by law, Dianna may finally have found the final solution to her self-esteem problem. She finds it in a simple cream rinse. She is happy with it until she hears about a process called The Tantalus System. Two stumbling blocks stand in her way, Jo-lee, her hairdresser, and Alison Coney, her slightly twisted friend.
