

The Funeral Pile (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Funeral Pile - Words of Great Heretics is translated from the Third original Der Scheiterhaufen - Worte groer Ketzer published by Kurt Eggers. Most of these quite anti-Christian quotations date from the 14h to 19th century, although some go all the way back to the 4th century Roman Emperor Julian. The men quoted include, but are not limited to, the following: Hoffmann von Fallersleben (composer of the German national anthem), Georg Herwegh, Walther v. d. Vogelreide, Frederick the Great (including his delightful Ode to the Prussians), Nietzsche, Schopenhauer, Goethe, Schiller, Kant, Grillparzer, Lagarde, Bismarck. Gneisenau, H. St. Chamberlain, Ernst Moritz Arndt, Heder, Ulrich von Hutten, Christian Wagner, Christian Wernicke, Adolf Stober, Friedrich Hebbel and Carl Julius Weber. All in all, quite a collection. And definitely iconoclastic! Softcover. 84pp.
