## HOW TO BE A MAN: A FATHER SON GUIDE (PAPERBACK)

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The journey to fatherhood changes the way we look at things. The question, What does it mean to be a man? suddenly defines the son you are raising. Who do you want your son to be? Search for the phrase, how to be a man and you will find experts preaching the importance of men s fashion, making money, building fires, and picking up beautiful women. But are these really the qualities that make our sons successful? As a father of five myself, I realized the need for a guide to see my sons reach maturity. There are too many temptations, too many bad examples set in front of their eyes today. I was sick of giving the lectures, repeating the same do s and don ts over and over again, with no lasting change. I knew what I wanted my sons to become, but I didn t know how to help them get there. It s time to change the stereotype of what it means to be a man. Imagine raising a son who developed strong, unwavering character. A son who will not be swayed by popular public opinion and peer pressure. Imagine, down the road, seeing your son with his family and watching him treat his wife or girlfriend with love and respect. This guide goes through over 30 essential character traits in a way that is easy to understand and absorb. The chapters ARE NOT CORNY or CLICHE. This is not your typical advice or how-to book. It goes deeper than superficial, obvious advice. How to Be a Man: a Father Son Guide is crafted for those with short attention spans and busy schedules. And unlike many books...
