Cynthia Clement, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Out of the flames came a man. A survivor! He was a giant of a man. He walked with a quick sure step. There was no hesitation or sign of injury in his pace. Strength, power, and command were evident in every stride he took as he moved closer to the truck. This was a man to be obeyed. Fiona shivered. Fiona is in hiding from an abusive stalker. Her life changes forever when she witnesses the crash landing of a group of alien prisoners, known as Hunters. She helps the injured and goes on the run with the Hunters as they elude the government agencies that are pursuing them. She grows to trust Ardal, as time and again, he proves that he will do anything to keep her safe. Ardal is the leader of a unit of Hunters. The elite alien warriors have been deemed dangerous and ordered executed. His decision to escape sends their ship plummeting to earth. When Fiona risks her life to help his men, Ardal swears to protect her. The last thing he expects is to be attracted to Fiona, especially when it is forbidden for a Hunter to mate.
