

## Our Human World: Evolution from Diversity to Unity

By Lucien Cosijns

AUTHORHOUSE, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A new vision on the future of our human world and on the future of the Catholic Church. This booklet narrates the still controversial conclusions to which the author has come after a long and varied life, first of 23 years as a catholic missionary in Japan, followed by a business life of 24 years and his later involvement in the worldwide interfaith dialogue movement. After a Darwin evolution of 2.5 billion years, he sees the human spirit of the homo sapiens about 200.000 years ago as an emanation of the infinite Spirit who caused the big bang with the beginning of time and the permanent change for all creatures. In his religious life, he no longer accepts the divinity of Jesus Christ nor the reality of an original sin. We wish you fruitful reading.

### Reviews

*This sort of ebook is every little thing and got me to hunting in advance and a lot more. It is writter in easy words rather than hard to understand. You wont sense monotony at whenever you want of your respective time (that's what catalogues are for concerning when you ask me).*

*-- Dr. Fae Walsh*

*This book could be really worth a read, and superior to other. It is writter in simple terms and not confusing. You can expect to like how the blogger create this ebook.*
