

Kew's Big Trees

By Christina Harrison

Royal Botanic Gardens. Paperback. Book Condition: new. BRAND NEW, Kew's Big Trees, Christina Harrison, To some, trees are green monuments; emerald cathedrals that augment our landscape and bewitch us with their folklore; to others they are vital for survival, providing shade, food, fuel and medicine. Indeed, Britain's own history is entangled with the oak, yew, ash, and other trees that clothe our countryside and it was not so long ago that we used them for everything from weapons to water carriers. The world of trees is an immensely diverse and vitally important one. Kew holds over 14,000 trees in its 132 hectares, a unique mix of the rare, ancient, useful and beautiful. In Kew's Big Trees you can discover how one of the world's best tree collections came to be and learn the stories behind 20 of its most intriguing trees including the oak, yew, ginkgo and pagoda tree. The book is extensively illustrated with over 90 colour photographs, full colour maps and seasonal trails, to guide visitors around the best places to see trees at Kew.

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- Mark Bernier
