# JQuery UI Themes Beginner s Guide (Paperback)

By Adam Boduch

Packt Publishing Limited, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is a step-by-step tutorial aimed at beginners to JQuery UI Themes. There is ready-for-use sample code explained with essential screenshots for better and quicker understanding. This book is for web application developers and CSS designers who want a better understanding of how to build themes for the jQuery UI toolkit. The reader should have a basic working knowledge of JavaScript and why it is used in web applications. Experience with jQuery UI and a general working knowledge of CSS will speed things along but aren t a requirement. Readers can use this book as a starting point to familiarize themselves with the jQuery UI widget details.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
-- Prof. Kirk Cruickshank DDS
