DivaStar Publishing. Paperback. Condition: New. 176 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Marcel Urbane Pisano is a multiplatinum international R and B sensation. He's super fine and filthy rich. It's a known fact that he can get any woman he wants. So why would he want his best friend Cash to set him up on a blind date? Because he is lonely and tired of having casual flings. His last relationship ended horribly. Just when he was about to put a ring on it, he found out the love of his life was a bona fide gold digger. Now, he is skeptical about women, especially one of Cash's girlfriends' friends. However, when he meets Natalia there is instant chemistry and he pressures her to have sex on the first date. Natalia has reservations about giving in so quickly, but Marcel reassures her that being intimate won't change his feelings. He even promised to take her out again the next day. Against her better judgment, she tossed out her 90-day rule and gave him the cookie. The next morning, when Natalia wakes up after having mind-blowing sex, Marcel is long gone. She cursed herself for being so naive and believing his lies. In her mind, he played her like a groupie. Months later Marcel wants to reconnect with Natalia. He realized just how much he missed her. And for the first time in his life, he felt like he met the right woman. He is willing to do whatever it takes to fight for her love. But is she still thinking about him? Has she moved on? Will she take him back? Marcel is shocked when he finally sees Natalia again. And he is even more shocked when he has a run-in with the police that nearly...
