Bauhan (William L.),U.S., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Named after a workaday knife wielded by shepherds and farmers in the high pastures of the Alps when a tool for paring, shaping, cutting into, scraping out of, or freeing is useful, these poems likewise cleave away the false and deceptive to clarify and reveal a startling and unifying wonder. In language radiant, lovely, and disturbing, Rebecca Kaiser Gibson explores the linkages between the uncomfortable familiar and the curiously intimate strange, making unexpected connections between phenomena. Arranged by association rather than chronology and connected by a sensual intelligence, this collection wanders from Maryland and India to Boston, France, New Hampshire and Ireland--from Ezekiel s Flight and the Book of Kells, to the Tamil goddess Meenakshi.
