Brand New Book ***** Print on Demand *****.It was supposed to be a simple escort mission.Two days on a train, trade the boy for a case of rations, then two days back home. Simple. But somehow nuclear winter has never been harder for Juno Radcliffe - ex-guerrilla and war hero, demoted to babysitter as she escorts a young boy across the wasteland. Stranded on the icy tundra and pursued by assassins, she has her work cut out for her; and at the end of the trail is a dreaded reunion with the lover she spurned years ago. The Helios Legacy is a dystopian sci-fi western set in the snowy wasteland of Midgard, where a one-eyed heroine embarks on a journey of sex, violence, and self-discovery that could cost her everything.
