Within the last few years a new and memorable note has been sounded among the familiar strains of Russian literature. It has produced a regeneration, penetrating and quickening the whole. The author who proclaimed the new voice from his very soul has not been rejected. He was welcomed on all sides with glad and ready attention. Nor was it his compatriots alone who gave ear to him. Other countries, Germany in particular, have not begrudged him a hearing; as has too often been the case for native genius. The young Russian was speedily accounted one of the most widely read in his own land and in adjacent countries. This item ships from La Vergne, TN. Paperback.
