THE BASICS OF CHRISTIANITY JOURNALING (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why Journal? Journaling is tuning in to hear from God. Tuning into what God is saying about your life is not hard. God is always speaking. If I could describe it, it would be like a serial data stream in the supernatural, continuously flowing. You only need to tune into the data stream to hear what God is saying. Journaling will help you tune in. Here s how journaling works. First, you need to understand why we do not hear God? The reason is the world is a noisy place. Everywhere you go, there is music or a television, and there is some distraction to keep you from tuning into the God s data stream, His channel. Next time you are in the grocery store or the mall, stop and listen to how all the noise the world around you. All these noisy, time-consuming distractions are orchestrated by the Destroyer to entertain you, keeping you too busy to hear from God. This journal is designed to change that. Second, we need to know the supernatural world is very, very quiet. God never speaks in more than a whisper and all of creation can hear Him. God never raises His voice. When you know you are in authority, you do not need to raise your voice. 1 Kings 19: 11-12 clearly teaches the volume of God speaking. 1 Kings 19:11-12 11 And He said, Go out and stand on the mount before the Lord. And behold, the Lord passed by, and a great and strong wind rent the mountains and broke in pieces the rocks before the Lord, but the Lord was not in the wind; and after the wind an earthquake, but the...
