Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. For the Christian, whether Catholic or Protestant, the focus of Christian life and the objective of spiritual growth is, and always has been, a direct and personal relationship with Our Lord Jesus Christ. In the current day the question becomes, how does one seek and grow in that relationship in the midst of our secular culture? Our culture confuses the goal, the path, and works - often all too successfully - to convince us that such a relationship is not even possible. In this book I describe and give examples of how we can hear God and know it is really him. I also identify many of the road signs which mark the narrow road that Jesus calls us to walk (Matthew 7:13-14). Special attention is also given to the role of community, situations that make spiritual growth difficult, and questions of how we receive and discern God s guidance, especially how the gifts of the Holy Spirit work in this area. The book is a collection of personal wisdom and practical insights from my experience which includes over 30 years of teaching adults and teenagers in my parish, ten years of speaking for Lenten missions, conferences and other gatherings, and 42 years of being...
