During one of the Editors official visits to Balmoral, her Majesty very kindly allowed him to see several extracts from her journal, relating to excursions in the Highlands of Scotland. He was much interested by them; and expressed the interest which he felt. It then occurred to her Majesty that these extracts, referring, as they did, to some of the happiest hours of her life, might be made into a book, to be printed privately, for presentation to members of the Royal Family and her Majesty's intimate friends; especially to those who had accompanied and attended her in these tours.
