Continuum International Publishing Group Ltd., United Kingdom, 2004. Book. Book Condition: New. 216 x 141 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Nothing is more remarkable-or more beautiful-than an ordinary life, quietly transformed by prayer. This is the life that Deborah Smith Douglas chronicles-and invites readers into-in her lovely collection of essays and poems. Drawing from events as simple as breakfast with her five-year-old daughter or waiting in line at the post office, Douglas shows how a loving relationship with God can be nurtured in small ways every day. Without my ever really intending it, she writes, my own life-as a wife and mother, daughter and friend-has taught me to see God hidden in the ordinary, to watch for God under the surface of things as a fisherman watches for fish. Woven into each of these pieces, along with reflections on the author s experiences, are guidelines for readers watching for God in their own unique-and ordinary-lives. Divided into four sections-Ways of Praying, Healing, Spiritual Companionship, and Fruitfulness-The Praying Life will help Christians move from awareness of God s presence in their lives to a deep participation in God s love.
