Keith Matthews was a vastly talented actor, musician, theatre director, performed playwright and charity bookshop manager. He performed in many plays and his artistic career lasted over forty five years. As well as being an expert on the UK radio game show Just a Minute (on which he contributed to two published books) he also found time to write a large number of plays, sitcom episodes, poems, short stories and novel length works. Save Our Souls (or SOS) is the first of a collection of sit-com screenplays that show his talent, his outrageous sense of humour, and his ability to create huge and deep characters. He picks you up when you are down and makes you think throughout. In this edition of Save Our Souls Volume two we have the second three episodes of what is the first series. In total there will be three series of six episodes, plus special episodes. Included in this edition are: the episodes: New Faces In Old Places , Going Solo Suck On A Polo L amour And A Little Bit More . Rapido: . .In that one week Lars and me, we stayed in the wigwam all the time. It was our little world and we explored every avenue of love, only two true lovers could explore. We went to some lovely places. I mean in the places in our hearts. Of course we ad to come out for our natural functions. Ad a few barbecues, picked wild garlic and mushrooms. Went for a dump. But we were together seven days. Then he. Disappeared.
