Outskirts Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Walking the World, the first novel of Terrence Kero s groundbreaking trilogy about human migration, tells the compelling story of prehistoric hunter-gatherers who had no crops, no domesticated animals, and no means of transportation besides their feet, people who walked and walked until they eventually populated the world. The novel opens in San Francisco in 1999, when Lisa Koskinen receives a gift from a distant relative in Finland: an odd necklace made of large canine teeth strung on a leather thong. With the help of carbon-dating and DNA analysis, Lisa and her parents gradually trace the history of the necklace and their family back to their earliest origins. Alternating between the present day and flashbacks to the bloody, dramatic first migration to Finland, Walking the World will have you living through heartbreaking struggles, intense romances, life-and-death encounters, crimes of passion, violent deaths, joyous births-all the tragedies and triumphs of the Koskinen clan from the dawn of time to the current day.
