Brand New Book ***** Print on Demand *****.All things matter in this life and nothing matters more than our families.We are lost without them. Alone, we struggle to find the answers to life and it s mysteries. Shaylee was this kind of lost her whole life. Now family was her whole life. It was the past, present and future for her. For the first time she belonged to one. And it meant more to her than life itself. For isn t that what spiritually dictates our lives? The desire to save not only ourselves, but those we love as well? Sometimes, that love goes beyond being just a mortal. Sometimes, it means being divine. And our lives mean nothing, if our families aren t there with us. Life has a whole new defintion and meaning, when we have others to share our joys and our sorrows with. To applaud our victories, and to comfort us in our darkest hours? Yes, it is, and it will always be the core of our existence and our humanity. For without it, we are nothing. And we are more than that. We were created in God s Image. And the promise of that destiny awaits us. All we have to do . is be .good little humans? How hard can that be?.
