## EIGHT TRAITS OF THE GREATS: HOW THE BEST MUSICIANS GET THAT WAY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Do you want to be a great musician? Do you want incredible technique and the ability to reach your musical goals? Well, there is much more to being an outstanding player than mastering rows of little black dots. When you really get down to it, great musicians simply don't think or act like everyone else. They think like winners. They act like champions. Their thoughts and behaviors cause them to go about the process of getting great in a whole different way-a very effective way. And you know what? Anyone can learn to do the same. That includes you. This brings us to the second truth: Both your level of greatness and your degree of success as a musician are in your hands far more than you may realize. Greatness isn't about fate or luck. It's about doing; it's about doing the right things-consistently. And again, anyone, including you, can learn to do the same. Over the years, I estimate that I've read nearly a thousand interviews with top musicians on every instrument and from every style of music imaginable. Add to that the more than one-hundred books I've read and studied on the subjects of success, mastery, and greatness. The Eight Traits of the Greats that you are about to discover represent the sum total and the ultimate distillation of all that I've discovered over the years on the subject of greatness. They are the roadmap to your becoming the very best musician you can possibly be and to your achieving the highest possible level of success in music. All in all, they will bring you results that will astound you!...
