Brand New Book ***** Print on Demand *****.For years I have wanted to immortalize my thoughts as a handbook for my loving daughter Jacqui. Having been a polio survivor being stricken in 1953 at 7 months old, I had to learn much about survival, caring, adapting, loving, leading, and so much more. As one of the younger survivors of polio (vaccine came out a few months after I contracted this deadly and crippling disease) I naturally learned quickly about odds and statistics; which is to say they re meaningless if you are the one who falls on the wrong side of probability!!! I write from the heart as I approach all things in my life. My brain shows me the options but my heart makes the decision. This has proved to be a very effective approach and has made me successful in many ways. I live by a concept that I always knew but the great motivator Anthony...
