Brill, Netherlands, 2010. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Criticism of Theology provides a detailed and critical commentary on the continued fascination with religion by yet more significant Marxist philosophers, historians and critics: Max Horkheimer, E.P. Thompson, G.E.M. de Ste. Croix, Michael Lowy, Roland Barthes, Gilles Deleuze, Felix Guattari and Antonio Negri. Simultaneously critique and construction, Criticism of Theology carefully analyses their work through close textual readings, with a view to locating hidden gems that may be developed further. The book continues the project for a renewed and enlivened interaction between Marxism and religion, being the third of five volumes in the Criticism of Heaven and Earth series.
