Reviews

*It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

THE FAITH THAT MAKES FAITHFUL (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Faith That Makes Faithful A word of explanation, perhaps of apology, is due for this attempt to give new life to an old book, - a plain little collection of sermons, that and nothing more. All the chapters did duty in the pulpit before they were caught by the printing-press. The book was an endeavor to state the universalities of religion, the maximum of faith with the minimum of dogma, the perennial conditions of the blessed life; the simplicity of the gospel of loyalty and love, which knows not the limitations of creed or race or space or time. What it was in the beginning it is now; we have not dared to try revision. Doubtless we should say many things differently, were we to say them now, but it does not follow that we should say them better. Any attempt to revise would be like fitting up an old homestead. When the work is done, it is no longer the old home, but a different one. The little book has had a history quite its own. Twice the plates have been destroyed by fire, and a third and last set, nearly worn out, was lost in the changes of a Chicago printer s shop. This new edition is printed from a copy bearing on its title-page, Thirty-fifth Thousand, and dated 1907. For many years the Potts publishing house of New York was wont to purchase the unbound sheets from the Chicago publishers, bind and publish under its own imprint, and include in a series of devotional, life-helping little books. Several thousands were thus circulated. Some of the separate sermons have done extended duty...
