William Morris was born in London, England in 1834. Arguably best known as a textile designer, he founded a design partnership which deeply influenced the decoration of churches and homes during the early 20th century. However, he is also considered an important Romantic writer and pioneer of the modern fantasy genre, being a direct influence on authors such as J. R. R. Tolkien. As well as fiction, Morris penned poetry and essays. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
