

## Wisdom and Practices of the Ancient Faith

By Theodore J. Nottingham

Theosis Books. Paperback. Condition: New. 228 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. In this book, the authors present the fundamental practices of the Christian experience. They are backed by two thousand years of history and a sea of witnesses who, down through the ages, have journeyed on this path that has led them to the summits of wisdom and holiness. The difficulty in the presentation of these methods is their inevitable and artificial juxtaposition when they only find their internal and organic coherence in the living Tradition. This is a teaching in the form of a spiral, an eating of the word where, as in liturgical chants and the experiential method of Scripture, we become that which we eat continually, we are what we have just read rather than merely knowing it. Each chapter is a new approach to the unique Reality. Rather than addressing the intellect, it speaks to the heart. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
