Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Two hearts full of love. The perfect match. Then life got in the way. Jetti Rink has no problem casting aside the mores and mannerisms of Edwardian London. She is a modern woman with modern ideas and a mind of her own in a constricting society that confines women to their place. As a young, 23 year old widow, she meets Lord John. They fall in love and Jetti has no qualms about ridding herself of her widow s weeds far in advance of the prescribed mourning period of the day. Who cares what London thinks, she says. Besides, black doesn t suit me.
