Does the land of Israel figure in Christ s return? Has Jesus second coming slipped off the church s radar? When Clare Lambert visited Israel for the first time, she could not have imagined the revelations that would follow. Encountered by God, she was made to reconsider everything she thought she knew about Christ s return and the Lord s continuing purposes for Israel. Sharing her experiences, Clare invites us to look afresh at our own beliefs and our understanding of current events in the Middle East. Commanded as we are by Jesus to watch, it is vital in these turbulent times for Christians to understand the significance of Israel and its people. One day soon Jesus, the Jewish Messiah, the Lion of Judah, will return as King to rule the nations--and He is calling His church to be ready!.
