Therefore, this paper will, firstly, give a brief account of the Historia Brittonum. Its structure, content, and, most importantly in terms of historical accuracy, its origin and development will be reviewed and classified, not only in the context of the emergence of the Arthurian legend but also in terms of real historical events. Secondly, an overview of Nennius sources will be provided and, in a further step, successively analysed in more detail. These sources include accounts of a Welsh monk named Gildas, the Venerable Bede, and others. Finally, after having reviewed and discussed the sources historical reliability, everything will be put into...
