GOD, MARRIAGE, AND FAMILY: REBUILDING THE BIBLICAL FOUNDATION (PAPERBACK)

CROSSWAY BOOKS, United States, 2010. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. The release of the landmark first edition of God, Marriage, and Family provided an integrated, biblical treatment of God s purposes for the home. Since then, explain authors Andreas KOstenberger and David Jones, the crisis confronting modern households has only intensified, and yet the solution remains the same: obedience to and application of God s Word. In the second edition of God, Marriage, and Family, KOstenberger and Jones explore the latest controversies, cultural shifts, and teachings within both the church and society and further apply Scripture s timeless principles to contemporary issues. This new edition includes an assessment of the family-integrated church movement; discussion of recent debates on corporal punishment, singleness, homosexuality, and divorce and remarriage; new sections on the theology of sex and the parenting of teens; and updated bibliographies. This book will prove to be a valuable resource for personal and group study, Christian counseling, and marriage and family courses.
