Electro-Muse: Tools and Tips for the Beginning Independent Author in This Technological Age (Paperback)

By Pen White

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Would you like to know how to create a complete book cover (spine and back included) in Word? Ever tried to convert a Word document to an image? (As in the case of the book cover?) Would you like to know how to format your books for uploading to Create Space? Or Smashwords? What tools would help you with that formatting? The answers to these questions - and more - are here in Electro-Muse. For the beginning writer who wants to self-publish, the technical aspects of formatting and preparing files for upload can be daunting if not downright overwhelming. The instructions and tools included here will help smooth the way through that process. Writing since the age of ten, Pen has forty years of writing experience. She has learned the process of self-publishing through trial and error. And now she is sharing her experience with you. Filled with tools (FREE tools, by the way), writing advice and helpful links Electro-Muse is sure to be a valuable tool in your writing arsenal.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
