Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

EVENTS AND VICTIMS (PAPERBACK)

PM Press, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Edited and with a detailed introduction by Jon Curley, this work features a never-before-published short story by the famous anarchist and victim of legal persecution and xenophobia. That fact that Bartolomeo Vanzetti, an Italian immigrant, learned to write in English while jailed for a capital crime is remarkable enough. What is even more astonishing is that he chose to use his new language skills to write creatively, inventing a parable about worker exploitation and environmental disaster that is as relevant today as it was almost 100 years ago. In a time of assault on immigrants, dissidents, radicals, and the environment, Events and Victims is as timely as ever.
