Writer Brian Daley adapted the film s highly visual script to the special demands and unique possibilities of radio, creating a more richly textured tale with greater emphasis on character development. Director John Madden guided a splendid cast-including Mark Hamill and Anthony Daniels, reprising their film roles as Luke Skywalker and the persnickety robot See Threepio-through an intense 10-day dialogue recording session. Then came months of painstaking work for virtuoso sound engineer Tom Voegeli, whose brilliant blending of the actors voices, the music, and hundreds of sound effects takes this intergalactic adventure into a realm of imagination that is beyond the reach of cinema.(Includes the same content as the Dark Side...
